BEHAVIOR

At **Summer at Dwight**, we aim to create a supportive learning environment where all students can enjoy their experience, try new things, and thrive. As part of the Dwight School Hanoi community, students are expected to uphold the same high standards of behavior that are maintained during the regular school year, embodying our community principles at all times.

If a student does not meet these behavior expectations, the issue will be addressed promptly. Ignite teachers will handle minor concerns initially, but if the issue persists or is serious in nature, the **Summer at Dwight Coordinator** will meet with the student and notify the parents. Should the behavior continue after this Parent-Coordinator conference, or if a separate serious issue arises, the student may be permanently removed from the program. Decisions regarding removal are at the sole discretion of the **Summer at Dwight Coordinator**, and no refunds will be provided in such cases.

ACKNOWLEDGEMENT

If a policy or procedure is not explicitly outlined in this document, **Summer at Dwight** will adhere to the established policies and procedures of Dwight School Hanoi's regular academic year operations. For any questions or clarifications, please contact the **Summer at Dwight Coordinator**.
